

NEUTRAL BAY BAR & DINING

MODERN AUSTRALIAN

\$\$\$\$\$

The new venture from Glebe Point Diner chef Alex 'Kearnsy' Kearns also has RJ Lines in the kitchen and Jake 'the Pirate' Smyth on the floor – names worth knowing to Sydney palates, especially now they have a fully fledged bar at their disposal. Snacks like Pino's nduja (hot and spicy pork paste) spread over thin toast are a cool way to kick off while sipping a Blood & Sand (a smoky mix of Ardbeg whisky, cherry brandy, blood orange juice and Martini Rosso). North of the bridge has never looked so tasty.
